THE RESORT – OVERVIEW

Fort Arabesque Resort, Spa & Villas lies in one of the most beautiful coves of the Makadi Bay, about 20 km's south of Hurghada and was opened 1997 with 50 rooms. Today the Fort Arabesque has 444 Rooms and 14 new Villas. The hotel has 3 sections, the East Wing, the West Wing and the Villas.

It is a charming hotel with an Arabic flavour in architecture and materials accompanied with a distinctive Italian taste in the overall design.

Makadi Bay opens on the Red Sea and rests upon a desert and the mountains with its beautiful white sandy beaches and a crystal clear blue sea.

Excursions to the nearby Giftun Island National Park, the Monastery of St Anthony and St Paul or the ancient city of Luxor, along the Nile, are all interesting programs to make the holiday more special.
